Independent Auditor's Report

To the Members of Cankids...Kidscan

Qualified Opinion

1. We have audited the accompanying financial statements of **Cankids...Kidscan** ('the Society'), which comprise the Balance Sheet as at 31 March 2026, the Income and Expenditure Account, and Receipts and Payments Account for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give a true and fair view in conformity with the Accounting Standards issued by the Institute of Chartered Accountants of India ('ICAI') and other accounting principles generally accepted in India, including of the financial position of the Society as at 31 March 2026, its financial performance and its receipts and payments for the year ended on that date.

Basis for Qualified Opinion

3. As at 31 March 2026 the liability for Gratuity as determined by actuary amounts to ₹200.58 lakhs (Previous year ₹155.43 lakhs). However, as stated in Note 21(iv) of the accompanying financial statements, the Society has partly recognised the gratuity liability of ₹ 20 lakhs in the current year (Previous year ₹20 lakhs); the total gratuity liability till 31 March 2026 has been provided to the extent of ₹ 40 lakhs. Had the full liability been recognised on accrual basis of accounting, total liabilities would have been higher by ₹160.58 lakhs (Previous year ₹135.43 lakhs) and corresponding deficit under General fund would have been higher by ₹160.58 lakhs (Previous year ₹135.43 lakhs).
4. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Code of Ethics issued by ICAI and we have fulfilled our ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

5. The Management is responsible for preparation and presentation of these financial statements that give a true and fair view of the state of affairs, results of operations, and receipts and payments of the Society in accordance with the Accounting Standards issued by the ICAI and other accounting principles generally accepted in India. This responsibility also includes design, implementation and maintenance of adequate internal controls relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Walker ChandioK &Co LLP

Independent Auditor's Report of even date to the members of Cankids...Kidscan on the financial statements for the year ended 31 March 2026 (cont'd)

6. In preparing the financial statements, the management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.
7. Those Charged with Governance are also responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing issued by the ICAI, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Society has in place an adequate internal financial controls system with reference to financial statements and the operating effectiveness of such control;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern: and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Walker Chandiok & Co LLP

Independent Auditor's Report of even date to the members of Cankids...Kidscan on the financial statements for the year ended 31 March 2026 (cont'd)

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cankids...Kidscan

Notes including summary of significant accounting policies and notes to the financial statements for the year ended 31 March 2026

(All amounts in ₹ lakhs, unless otherwise stated)

1. Brief about the entity

Cankids...Kidscan is a Society registered under the Societies Registration Act, XXI of 1860 on 13 June 2012, bearing registration number 0736, having its registered office at D-7/7, Vasant Vihar, New Delhi-110057. The object of the Society is primarily to work with children with cancer, families of children with cancer and children of parents with cancer.

The Society has registration under the Foreign Contribution (Regulation) Act, 2010/ Foreign Contribution (Regulation) Rules, 2011, for carrying out educational and social activities with registration number which has been renewed vide registration number 231661613 dated 22nd July 2025 for the period from 24 September 2025 to 23 September 2030.

The Society has been granted exemption under section 12A of the Income-tax Act, 1961, vide Document Identification Number ITBA/EXM/F/EXM44/2025-26/1086322374(1) dated 21 February 2026 and valid till AY 2031-32. Society has also obtained exemption u/s 80G(5)(vi) of the Income-tax Act, 1961, vide Document Identification Number ITBA/EXM/F/EXM44/2025-26/1086322379(1) dated 21 February 2026 and valid till AY 2031-32.

2. Summary of significant accounting policies

a) Basis of preparation

The financial statements have been prepared and presented under the historical cost convention on the accrual basis in accordance with the generally accepted accounting principles and the applicable Accounting Standards issued by the Institute of Chartered Accountants of India to the extent considered relevant by management of the Society. The accounting policies have been consistently applied by the Society and are consistent with those used in the previous year.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Society to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of liabilities at the date of financial statements and the reported amount of revenues and expenses during the period reported. Actual results may differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

c) The financial statements are prepared in Indian Rupees, which is also the Society's functional and presentation currency. All amounts have been rounded to the nearest lakhs up to two decimal places, unless otherwise stated. Consequent to rounding off, the number ₹ presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute amounts.

Cankids...Kidscan

**Notes including summary of significant accounting policies and notes to the financial statements
for the year ended 31 March 2026**

(All amounts in ₹ lakhs, unless otherwise stated)

d) Income recognition

(i) Grants and donations

Income from Grants and donation are recognized as income on accrual basis to match the revenue and capital expenditure incurred during the year. Grants and donations are recognized to the extent that it is probable that the economic benefits will accrue and these can be reliably measured.

Grants and donations received to be utilized within a short period, where the program component relates to capital assets (such as computers, laptops) not returnable to the donors, are treated as owned assets and accordingly not treated as expenditure in the Income and Expenditure Account.

Donations which are not subject to donor stipulations as to use is utilised as per the management's discretion and is recognized as income on receipt basis.

(ii) Interest income

Interest income is recognized using time proportion method, based on the rate implicit in the transaction.

e) Property, plant and equipment and depreciation

Tangible assets

Tangible assets are stated at cost less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Depreciation

Depreciation on tangible assets is provided on the written down value method at the rates prescribed under Income -tax Rules, 1962.

f) Impairment of assets

The Society on an annual basis makes an assessment of any indicator that may lead to impairment of assets. If any such indication exists, the Society estimates the recoverable amount of the assets. If such recoverable amount is less than the carrying amount, then the carrying amount is reduced to its recoverable amount by treating the difference between them as impairment loss and is charged to the Income and Expenditure Account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

Cankids...Kidscan

Notes including summary of significant accounting policies and notes to the financial statements for the year ended 31 March 2026

(All amounts in ₹ lakhs, unless otherwise stated)

g) Funds

(i) Restricted funds

Earmarked funds

Earmarked funds represent funds received for specific purposes such as Scholarship Fund for acknowledging the cancer affected scholar children and granting them scholarship; Home Away Fund for cancer affected children residing in Cankids; Retinoblastoma Fund for treatment of retinoblastoma cancer; Kumar Children Fund for children under cancer treatment and After Cancer Treatment Fund for treatment and other support services to cancer survivor children for follow up in hospitals to ensure it does not lapses.

Interest earned is allocated on the respective earmarked fund on actual basis for utilization on the specified purposes.

Capital grant fund

Capital grant fund represents property, plant and equipment received from ICS (Indian Cancer Society) on incorporation of the Society which are being recognized at a value certified by an independent valuer. However, the tangible assets which are received as donation in kind from individuals/trusts/societies are shown at nominal value at ₹1/- in the books of account.

Project specific funds

Project specific funds represents grants received from various funding agencies to carry out specific activities. In case the Society incurs expenditure, which is more than the amount received for specific projects, the differential amount is shown as 'Grant receivables'. At the end of the agreement, the unutilized amount is either returned to the respective donor, or the surplus/deficit is transferred to Income and Expenditure Account in the relevant year in which the project is completed depending upon the terms of the grant.

(ii) Unrestricted funds

Corpus fund

Corpus fund represents amounts received from the donors as corpus. It also includes Life membership fees paid by members of the Society.

General fund

The fund represents the accumulated surplus or deficit.

h) Employee benefits

Defined contribution plan

The Society makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. This is a post-employment defined contribution plan and the contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

Defined benefit plan

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. Gratuity is calculated in the manner prescribed under Payment of Gratuity Act, 1972 and is recognized as expense on actual payment basis. In addition provision is based on adhoc basis as per the decision of the management.

Cankids...Kidscan

Notes including summary of significant accounting policies and notes to the financial statements for the year ended 31 March 2026

(All amounts in ₹ lakhs, unless otherwise stated)

i) Appropriation of program expenditure

The Society receives contributions for its various projects/activities for specified time period and are subject to donor-imposed stipulations regarding the utilisation of these funds. The terms and conditions along with a detailed budget is laid down in the Memorandum of Understanding/agreement with each donor. A separate cost center is created in the accounting software for each project enabling the Society to identify and track income and expenditure project-wise. Administrative/common costs are appropriated to the respective projects within the approved budget as decided by the management.

j) Provisions and contingent liabilities

Society makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of the obligation can be made.

A disclosure is made for a liability when there is a:

- a) possible obligation, the existence of which will be confirmed by the occurrence/ non-occurrence of one or more uncertain events, not fully within the control of the Society; or
- b) present obligation, where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- c) present obligation, where a reliable estimate cannot be made.

Where there is a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Notes including summary of significant accounting policies and notes to the financial statements for the year ended 31 March 2026

(All amounts in ₹ lakhs, unless otherwise stated)

21. Notes to the Financial Statements

(i) Appropriation of program expenditure

The Society receives contributions for its various projects/activities for specified time period and are subject to donor-imposed stipulations regarding the utilization of these funds. The terms and conditions along with a detailed budget is laid down in the Memorandum of Understanding/agreement with each donor. Costs include medical program, treatment support program, pediatric palliative care program, pediatric psycho-oncology program, education program, patient navigation and family engagement program, medical and social support informatics program, national outreach program, communication education patient awareness and advocacy, capacity and skill building, quality care and research impact program and salaries and allowances of the staff.

- (ii) During the year, the Society has received donations amounting to ₹87.00 Lakhs (Previous year: ₹72.25 Lakhs) as anonymous donation. However, the aggregate amount is within the permissible limit under Income Tax Act, 1961 (i.e. less than 5% of the total donation received during the year), hence it is not treated as taxable donation.

(iii) Disclosures required under Micro, Small and Medium Enterprises Development Act, 2006:

Information as required to be furnished as per section 22 of the Micro, and small Enterprises Development (MSMED) Act, 2006 for the year ended 31 March 2026 is given below. This information has been determined to the extent such parties have been identified based on information available with the Society.

The principal amount and interest due thereon remaining unpaid to suppliers covered under the MSMED Act, 2006 amounts to ₹443.14 lakhs (Previous Year: ₹550.02 lakhs) as at 31 March 2026. The amounts required to be disclosed under the other clauses of Section 22 of the MSMED Act, 2006 are Nil; accordingly, no separate disclosures have been made.

- (iv) The Society is covered under the Payment of Gratuity Act, 1972. Gratuity is a defined benefit plan payable to employees on separation after completion of five years of continuous service, or earlier in case of death or disablement. Actuarial valuation of the gratuity liability has been carried out and the present value of obligation amounts to ₹200.58 lakhs (Previous year ₹155.43 lakhs) as at 31 March 2026. However, during the year, the Society has recognized a partial provision amounting to ₹20 lakhs (Previous year ₹20 lakhs) in the Income and Expenditure Account. The remaining liability amounting to Rs 160.58 lakhs will be recorded in subsequent periods based on a comprehensive management exercise currently under review. Management is examining funding options, and will present a detailed plan to the Board for approval in the next financial year. It may be noted that, while the full liability has not been provided for on an accrual basis in the books of account in accordance with the Accounting Standards, the Society invariably settles gratuity payments to all eligible employees on actual payment basis as and when they fall due. Accordingly, the gratuity liability is partly provided for and partly disclosed by way of this note.
